Financial Policy

Patients are responsible for payment at the time of service. We accept cash, check, Visa, MasterCard, Discover and American Express.

We encourage patients to understand your individual health insurance policy and to contact your provider for clarification of benefits and reimbursement procedures prior to services being rendered. Many chiropractic procedures, as well as nutritional consultations are covered by traditional policies, however this differs greatly by provider and network.

Payments made for services rendered at Functional Wellness can also be applied toward your annual deductible, and should be eligible expenditures for Health Savings Accounts (HSA) and Flexible Spending Accounts (FSA). We are happy to provide you with all necessary documentation and coding required by your provider / coverage entity.

In cases of divorce or separation, the parent authorizing treatment for a child will be the parent responsible for those charges. If the divorce decree requires the other parent to pay all or part of the child's medical costs, it is the authorizing parent's responsibility to collect from the other parent.

All patients MUST provide a current credit card to have on file. If an appointment is cancelled with less than 24 hours' notice or missed, your card will be charged a cancellation fee of \$50.

In an effort to serve our patients in a timely manner, we ask that you are on time for your scheduled appointment. In an event you are running late, please call our office. If you arrive more than 15 minutes late to your scheduled appointment, you may be asked to reschedule.

Fee Schedule	
Cancellation, Missed Appointments and Late Arrivals	If you need to cancel an appointment, we kindly request that you allow at least 24-hours notice so that your appointment may be given to another patient who may be in need of urgent care. If we do not receive 24-hours notice there will be a \$50.00 cancellation fee billed. Patients with multiple cancellations or missed appointments also may be discharged from our practice. In an event you are running late, please call our office. If you are more than 15 minutes late to your scheduled appointment, you may be asked to reschedule.
Returned Check Fee	There will be a \$30 charge for all returned checks.
Collection Fee	If your account is turned over to our collection agency, you will be responsible for the collection fee charged to us by the agency in addition to your outstanding balance.

I have read and understand the financial policy, and I agree to be bound by its terms. I understand and agree that such terms may be amended in the future by the practice.
